Mira, Mira (woo! woo!)

If you're one of them gangsters
Walking around disrespecting me
and you go to them gangsters
Running your mouth, talk- talkin' 'bout me
If you on of'em pranksters
flying around, makin' rumors 'bout me
Say if you're one of them gangsters

x2

Just wait till the boogeyman come for you
It's my dito
Me, myself and my voodoo crew
You just don't know

We'll get your mommy
We'll get your daddy
And we'll get you, you
Your grandma too
And your dog, woo woo woo-woo-woo
We'll get your mommy
We'll get your daddy
And we'll get you, you
Your grandma too
And your dog, woo woo woo-woo-woo

Woo

So if you're one of them players
Talkin' to me just so you can bang bang
If you're one of them payers
Thinks you can get me with bling bling
If you're one of them baylers
Thinks you can get away with anything
Say if you're one of them players
Just wait till the boogeyman sing

x2

I'll come for you
It's my tito
Me, myself and my voodoo crew

You just don't know

We'll get your mommy
We'll get your daddy
And we'll get you, you
Your grandma too
And your dog, woo woo woo-woo-woo
We'll get your mommy
We'll get your daddy
And we'll get you, you
Your grandma too
And your dog, woo woo woo-woo-woo

[whispers]

I'll come for you
It's my tito
Me, myself and my voodoo crew
You just don't know

Just wait till the boogeyman come for you
It's my tito
Me, myself and my voodoo crew
You just don't know

We'll get your mommy
We'll get your daddy
And will get you, you
Your grandma too
And your dog, woo woo woo-woo-woo
We'll get your mommy
We'll get your daddy
And we'll get you, you
Your grandma too
And your dog, woo woo woo-woo-woo

Woo!
