Tell me there's food and I'll  
be there in a second  
ain't nothin more hot than a  
fine man cookin  
Is you gonna eat that  
cause I'm a crumbsnatcher  
take my last piece  
and I might have to fight ya  
Yup me and my girl  
stay thicky thick  
In our favorite spot you can  
find us frequently  
pay a couple dollars and you  
eat all you want there  
I stay at the buffet like a club  
all night yeah
