In this familiar place...

In this familiar place,
There's nothing left to see.
There's nothing to be,
You've exhausted everything.
In this familiar place
You've taken much for granted
Take more than what you're handed
From this prison you must vacate.

So.
Why?
SO WHY DO YOU WAIT?
So.
Why?
ARE YOU AFRAID?

(Chorus)

I've been here before
In this familiar place...
My silence driving me insane.
I've seen you before
Admire this familiar place
A land I used to know,
Now we must escape.

So.
Why?
SO WHY DO YOU WAIT?
So.
Why?
ARE YOU AFRAID?

What are you waiting for?

Rise...
Higher...
Higher...
Further...
Faster...

Until we've escaped this place.

(Chorus x2)
