Miranda Cosgrove:

Ooooooh

Can you feel me when I think about you?

With every breath I take

Every minute, no matter what I do

My world is an empty place

Like I've been wonderin' the desert

For a thousand days

Don't know if it's a mirage

But I always see your face, baby

I'm missing you so much

Can't help it, I'm in love

A day without you is like a year without rain

I need you by my side

Don't know how I'll survive

A day without you is like a year without rain

Ohhohoh, Wooooaahh woaahh

The stars are burning

I hear your voice in my mind

Can't you hear me calling

My heart is yearning

Like the ocean that's running dry

Catch me I'm falling

It's like the ground is crumbling underneath my feet

(Won't you save me)

There's gonna be a monsoon

When you get back to me

Ohhhh baby

I'm missing you so much

Can't help it, I'm in love

A day without you is like a year without rain

I need you by my side

Don't know how I'll survive

A day without you is like a year without rain

Ohhohoh, Wooooaahh woaahh ou

So let this drought come to an end

And make this desert flower again

I'm so glad you found me

Stick around me
Baby, baby, baby, oh
It's a world of wonder with you in my life
So hurry baby
Don't waste no more time
And I need you here
I can't explain
the day without you
Is like a year without rain
Ohhohoh

I'm missing you so much
Can't help it, I'm in love
A day without you is like a year without rain
I need you by my side
Don't know how I'll survive
A day without you is like a year without rain
Ohhohoh, Wooooaahh woaahh
Ooohh, Oooooooooouhh
