Miranda Cosgrove:

Maybe I'm wrong
You decide
Shoulda been strong
Yet I lied
Nobody gets me like you
Couldn't keep hold of you then
How could I know what you meant
There was no friend to compare to
There's a mountain between us
But there's one thing I'm sure of
That I know how I feel about you

[Chorus]

Can we bring yesterday back around
Cause I know how I feel about you now
I was dumb I was wrong
I've let you down
But I know how I feel about you now

Selena Gomez:

How you choose to express yourself
It's all your own and I can tell
It comes naturally, it comes naturally

You follow what you feel inside
It's intuitive, you don't have to try
It comes naturally, mmmm it comes naturally

And it takes my breath away
What you do, so naturally

You are the thunder and I am the lightening
And I love the way you know who you are
And to me it's exciting
When you know its meant to be
Everything comes naturally, it comes naturally
When you're with me, baby

Everything comes naturally, it comes naturally
Bay bay baby
