I feel crazy while you seem sane  
I saw lightning but you just see rain  
I hear music that's my heart being played

In your shadow I fade  
It's a beautiful mess you made  
You've had your fun and games  
I love you  
To you that means so much less  
You're like the tear in my brand new dress  
It's a beautiful mess

The rush remains as I watch you go  
Your kiss still lingers but it's killing me slow  
As I shiver  
In this space where I lay

In your shadow I fade  
It's a beautiful mess you made  
You've had your fun and games  
I love you  
To you that means so much less  
You're like the tear in my brand new dress  
It's a beautiful mess

It was an innocent mistake to waste my time on you  
When they tell you not to go there  
You don't care  
And you do

In your shadow I fade  
It's a beautiful mess you made  
You've had your fun and games  
I love you  
To you that means so much less  
You're like the tear in my brand new dress  
And now I'm left with this beautiful mess
