Disrespect, that's all that you do to me
So messed up, the way that you're treatin me
Brace yourself there's something I want you to know
You should know
Replaceable is one way of saying it
You've made your bed now you can lay in it
Cause one day soon I'll have a brand new you
New you

He's gonna walk like you with that same anatomy
Talk like you except he knows how to be
Sweet and kind shouldn't be so hard to find

Does it make you mad
When you're thinking back to the starting line
Back when I was yours and you were mine
You took me for granted
So I found a brand new you
And when you see me around this time
Well I hope you see that I'm doing fine
It's never been better
Cause I found a brand new you
Since I found a brand new you

I know you hate that I'm over it
I don't even miss you a little bit
I'm so glad I found a brand new you
New you

He's gonna walk like you with that same anatomy
Talk like you except he's so good to me
You were blind
To think you were one of a kind
Does it make you mad

When you're thinking back to the starting line
Back when I was yours and you were mine
You took me for granted
So I found a brand new you
(Found a brand new you)
And when you see me around this time
Well I hope you see that I'm doing fine

It's never been better
Cause I found a brand new you
Since I found a brand new you
Found a brand new you
Oh oh yeaaaah
Found a brand new you

I know you hate that I'm over it
I don't even miss you a little bit
I'm so glad I found a brand new you
(New you)

Does it make you mad
When you're thinking back to the starting line
Back when I was yours and you were mine
You took me for granted
So I found a brand new you
(Found a brand new you)
And when you see me around this time
Well I hope you see that I'm doing fine
It's never been better
Cause I found a brand new you
Since I found a brand new you
