Yeah... uh-uh (x2)
No. oh, no.
Charlie, oh no.
Oh, no.
All the time you wonder why
People always tell you that you're so strange
You hide a funny face behind
The head of hair you'll never get
What they say
(You never did)
Everyone will love you
The way that I love you
But they don't (oh no)
They don't know
You like I do
Charlie, oh how starstruck in your eyes
Just one look and we're all hypnotized
Charlie, you're like sunlight in the rain
And if you go...
But without you just won't be the same
Don't try to hide a smile
If you stop and walk with me
You'll be fine
Let it go, because you know that all
I wanna do is be by your side
Everyone will love you the way that I love you
But they don't (oh no)
They don't know you like I do
Charlie, oh how starstruck in your eyes
Just one look and we're all hypnotized
Charlie, you're like sunlight in the rain
And if you go...
The world without you just won't be the same
Gonna die of little love
Pretty sweet, but lookin' tough
Somethin' about you, so mysterious
Just so perfect how you are.
You be the biggest superstar
If you'd quit acting oh so serious
Everyone will love you the way that I love you
But they don't (oh no)
They don't know

You like I do
Charlie, oh how starstruck in your eyes
And you're so beautiful!
Just one look and we're all hypnotized
We're all hypnotized
Charlie, you're like sunlight in the rain
And if you go...
The world without you just won't be the same
So keep shinin'!
Uh-huh
Shinin'...
The world without you just won't be the same
The world without you just won't be the same
