I'm coming home
I'm coming home
Tell the world I'm coming home
Let the rain wash away all the pain of yesterday
I know my kingdom awaits
And they've forgiven my mistakes
I'm coming home, I'm coming home
Tell the world I'm coming

Haha, here we go
I'm back where I belong
I never felt so strong
I feel like there's nothing that I can't try
And if you with me put your hands high
If you ever lost a light before
This one's for you
For you and you
These dreams are for you
The dreams are for you
I'll be home soon
I'll be home soon
I hear The Tears of a Clown
I hate that song
I always feel like they talkin' to me when it comes on
Another day, another dawn
Another Keisha nice to meet ya
Get the math I'm gone
What am I supposed to do
When the club lights come on
It's easier to be puff but it's harder to be Sean
What if my son stares
With a face like my own
And says
He wants to be like me when he's grown
Me, when he's grown
Haha but I ain't finished growin'
Another night, the inevitable prolongs
Another day, another dawn
Just tell Keisha and Teresa
I'll be betterin in the morn
Another lie that I carry on

I need to get back to the place
I belong

I'm coming home
I'm coming home
Tell the world I'm coming home
Let the rain wash away all the pain of yesterday
I know my kingdom awaits
And they've forgiven my mistakes
I'm coming home, I'm coming home
Tell the world I'm coming home

Ain't No Stoppin' Us Now
I love that song
Whenever it comes on
It makes me feel strong
I thought I told ya'll that we won't stop
We back cruisin' through Harlem
Viso blocks
It's what made me, saved me
Drove me crazy
Drove me away then embraced me
For all of my shortcomings
Welcome to my homecoming
Yeah, it's been a long time coming
And here I stand
A better man
Thank you all

I'm coming home
I'm coming home
Tell the world I'm coming home
Let the rain wash away all the pain of yesterday
I know my kingdom awaits
And they've forgiven my mistakes
I'm coming home, I'm coming home
Tell the world I'm coming home
