I could have been the one you noticed  
I could have been all over you  
I could have been like all the others  
Is that what I'm supposed to do?  
It would have been really stupid  
If I would have went out with you  
To give you everything you wanted  
It would have been way too soon

I try to be sensitive  
I try to be tough  
I try to walk away  
I try to be innocent  
I try to be rough  
But I just wanna play

You're my daydream, you know that  
I've been thinking about you, lately  
And every time I look at you  
I can't explain, I feel insane  
I can't get away  
You're my daydream

If I tell you what I'm thinking  
And I let myself trust you  
Can you give me what I'm missing?  
Can you make my dreams come true?

I try to be sensitive  
I try to be tough  
I try to walk away  
I try to be innocent  
I try to be rough  
But I just wanna play  
You're my daydream, you know that  
I've been thinking about you, lately  
And every time I look at you  
I can't explain, I feel insane  
I can't get away  
You're my daydream

I've always wanted someone

I've been waiting so long  
Could you be that someone?  
Are you my, you my, you're my

You're my daydream, you know that  
I've been thinking about you, lately  
And every time I look at you  
I can't explain, I feel insane  
I can't get away  
You're my daydream

You're my daydream  
You're making me insane  
You're my daydream  
You're doing it again  
You're my daydream  
You're making me insane  
You're my daydream  
You're doing it again
