I know, you see
Somehow the world will change for me
And be so wonderful

Live life, breathe air
I know somehow we're gonna get there
And feel so wonderful

I will make you change your *mind*
These things happen all the time
And it's all real
I'm telling you just how I feel

So wake up the members of my nation
It's your time to be
There's no chance unless you take one
Everytime
Just see the brighter side of every situation
Somethings are meant to be
So give it your best and leave the rest to me

I Know
This time
To raise the hand that draws the line
And be so wonderful
Golden and sunshine
I know somehow it's going to be mine
And feel so wonderful

Show me what you can become
There's a dream in everyone
And it's all real
I'm telling you just how I feel

So wake up the members of my nation
It's your time to be
There's no chance unless you take one
Everytime
Just see the brighter side of every situation
Somethings are meant to be
So give it your best and leave the rest to me

Leave it all to me
Leave it all to me
So make it mine and see it through
You know you won't be free until you

Wake up the members of my nation
It's your time to be
There's no chance unless you take one
Everytime
Just see the brighter side of every situation
Somethings are meant to be
So give it your best and leave the rest to me

Leave it all to me
(Leave it all to me)
Leave it all to me
Just leave it all to me
