Oh, uh oh, uh oh,
Oh, uh oh, uh oh,

You just have to say whatcha need,
and I'll hear you out.
You don't have to hang in a scene cause
I'll be your crowd.
I'm on your side, hold you up,
when your fallin' down.

Anytime that you want me 'round,
I'll be there at the speed of sound.
Anytime that you want me around,
I'm there.

Oh, uh oh,

Kiss you up,
Oh, uh oh, uh oh,
When your down,
Oh, uh oh, uh oh
Make you write through the night,
If you need a little love,
I'll kiss you up.

Don't ever change cause I love
you the way that you are.
No matter how dark it may be,
I still think you're a star.
And if you break, I will come
and ?? your sweetheart.

Anytime that you want me 'round,
I'll be there at the speed of sound.
Anytime that you want me around,
I'm there.

Oh, uh oh, uh oh

Kiss you up,
Oh, uh oh, uh oh,
When your down,

Oh, uh oh, uh oh
Make you write through the night,
If you need a little love,
I'll kiss you up.

Know how you're feeling,
Don't need a reason to reveal it.
Remember to breathe in,
Never stop believing,
You're extraordinary.

Oh, uh oh, uh oh

Kiss you up,
When your down,
Kiss you up,
Oh, uh oh, uh oh,
When your down,
Oh, uh oh, uh oh,
Make you write through the night,
If you need a little love,
I'll kiss you up.

Make you write through the night,
If you need a little love,
I'll kiss you up.
