Sparks fly it's like electricity  
I might die, when I forget how to breathe  
You get closer and there's no where in this world I'd  
rather be  
Time stops like everything around me is frozen  
And nothing matters but these  
Few moments when you open my mind to things I've  
never seen

Chorus:

Cause when I'm kissin you my senses come alive  
Almost like the puzzle piece I've been trying to find  
Falls right into place you're all that it takes  
My doubts fade away when I'm kissing you  
When I'm kissin you it all starts making sense  
And all the questions I've been asking in my head  
Like are you the one should I really trust  
Crystal clear it becomes when I'm kissin you

Past loves they never got very far  
Walls of pictures I got in my heart  
And I promise I wouldn't do this  
Till I knew it was right for me  
But no one, no guy that I met before  
Could make me feel so right and secure  
And have you noticed I lose my focus  
And the world around me disappears

Chorus:

Cause when I'm kissin you my senses come alive  
Almost like the puzzle piece I've been trying to find  
Falls right into place you're all that it takes  
My doubts fade away when I'm kissing you  
When I'm kissin you it all starts making sense  
And all the questions I've been asking in my head  
Like are you the one should I really trust  
Crystal clear it becomes when I'm kissin you

I've never felt nothing like this  
You're making me open up  
No point in even trying to fight this  
It kinda feels like it's love, love

Chorus:

Cause when I'm kissin you my senses come alive  
Almost like the puzzle piece I've been trying to find  
Falls right into place you're all that it takes  
My doubts fade away when I'm kissin you  
When I'm kissin you it all starts making sense  
And all the questions I've been asking in my head  
Like are you the one should I really trust  
Crystal clear it becomes when I'm kissin you
