Sparks fly  
It's like electricity  
I might die  
When I forget how to breathe  
You get closer and there's  
No where in this world I'd rather be  
Time stops  
Like everything around me  
Is frozen  
And nothing matters but these  
Few moments when you open my mind to things  
I've never seen

'Cause when I'm kissing you  
My senses come alive  
Almost like the puzzle piece  
I've been trying to find  
Falls right into place  
You're all that it takes  
My doubts fade away  
When I'm kissing you

When I'm kissing you  
It all starts making sense  
And all the questions  
I've been asking in my head  
Like are you the one should I really trust  
Crystal clear it becomes  
When I'm kissing you

Past loves  
They never got very far  
Wall's up, made sure  
I guarded my heart  
And I promise I wouldn't do this till  
I knew it was right for me

But no one (no one)  
No guy that I met before  
Could make me (make me)  
Feel so right and secure  
And have you noticed

I lose my focus

And the world around me disappears

'Cause when I'm kissing you  
My senses come alive  
Almost like the puzzle piece  
I've been trying to find  
Falls right into place  
You're all that it takes  
My doubts fade away  
When I'm kissing you

When I'm kissing you  
It all starts making sense  
And all the questions  
I've been asking in my head  
Like are you the one should I really trust  
Crystal clear it becomes  
When I'm kissing you

I've never felt nothing like this  
You're making me open up  
No point in even trying to fight this  
It kinda feels like it's love

Cause when I'm kissing you  
My senses come alive  
Almost like the puzzle piece  
I've been trying to find  
Falls right into place  
You're all that it takes  
My doubts fade away  
When I'm kissing you

When I'm kissing you  
It all starts making sense  
And all the questions  
I've been asking in my head  
Like are you the one should I really trust  
Crystal clear it becomes  
When I'm kissing you
