(Oh, oh)

(Oh, oh)

(Verse 1)

Boy, you said that you don't want anybody
Then went and found somebody (Oh, oh)
Bet you thought I'd be all messed up about it,
Losing myself about it. (Oh, oh)

(Pre Chorus)

Then I got out of bed then I quickly discovered
That I never needed you (Oh, oh)
And I picked up the phone
And I called all my friends,
Told them: "Why don't we make a move?" (Oh, oh)

(Chorus)

If you think I'll cry
For you tonight
I'm out havin' my (Oh, oh)
And I look so hot,
The boys forgot
That after N comes (Oh, oh)
Tonight... Tonigh-ight!

(Verse 2)

Don't call me like you want to talk about it,
You had a chance to do it. (Oh, oh)
Don't have your friends call my friends looking for
some advice about it,
You can forget about it. (Oh, oh)

(Pre-Chorus)

I was all by myself
And I quickly discovered that I never needed you (Oh,
oh)
I can pick up the phone,
And get me another you,
I'll bet he'll know just what to do! (Oh, oh)

(Chorus) If you think I'll cry
For you tonight
I'm out havin' my (Oh, oh)

And I look so hot,
The boys forgot
That after N comes (Oh, oh)

Tonight! Tonigh-ight!

Oh oh oh oh,
Oh oh oh oh,
I was all by myself
And I quickly discovered that I never needed you (Oh,
oh)
I can pick up the phone,
And get me another you,
I'll bet he'll know just what to do!

(Chorus)
If you think I'll cry
For you tonight
I'm out havin' my (Oh, oh)
And I look so hot,
The boys forgot
That after N comes (Oh, oh)

Tonight!
Tonigh-ight! (Oh, oh)

Oh oh oh oh,
Oh oh oh oh,
Oh oh oh oh... Oh

Da-da, da. Da-da, da. Da-da, da. Da. (Oh, oh)
