Sunshine, sunshine, raining sunshine

When you think all hope is gone
There's a place somewhere beyond
Take a chance and realize
It's right before your very eyes

Leave the dark clouds far behind
And step outside, the weather's fine

It's raining sunshine
It's raining sunshine
All over mankind
It's raining sunshine

As real as it can be
Believe in what you see
It's not just in your mind
It's raining sunshine

Sunshine, sunshine, raining sunshine
Sunshine, sunshine, raining sunshine

Something's in the atmosphere
Don't be scared of what you fear
Look around the storm has passed
Just hurricanes of happiness

Raise up your umbrellas high
And stand beneath the clear blue sky
It's raining sunshine
It's raining sunshine
All over mankind
It's raining sunshine

As real as it can be
Believe in what you see
It's not just in your mind
It's raining sunshine

Too many wonders to explain
Rays of sunlight, drops of rain

Coming down from up above
Cloudy with a chance of love

Can't you feel it in the air?
Sweet sensations everywhere
Whatever weather is in store
Bring it on, cause I want more

Sunshine, sunshine, raining sunshine
Sunshine, sunshine, raining sunshine

It's raining sunshine
It's raining sunshine
All over mankind
It's raining sunshine

As real as it can be
Believe in what you see
It's not just in your mind
It's raining sunshine
