I know, you see  
Somehow the world will change for me  
And be so wonderful

Live life, breathe air  
I know somehow we're gonna get there  
And feel so wonderful

I will make you change your life  
These things happen all the time  
And it's all real  
I'm telling you just how I feel

So wake up the members of my nation  
It's your time to be  
There's no chance unless you take one  
And it's time to see  
The brighter side of every situation  
Somethings are meant to be  
So give me your best and leave the rest to me

I Know  
This time  
To raise the hand that draws the line  
And be so wonderful  
Gold and sunshine  
I know somehow it's going to be mine  
And feel so wonderful

Show me what you can become  
Here's to dreaming  
Everyone  
And it's all real  
I'm telling you just how I feel

So wake up the members of my nation  
It's your time to be  
There's no chance unless you take one  
And it's time to see  
The brighter side of every situation  
Somethings are meant to be

So give me your best and leave the rest to me

Leave it all to me  
Leave it all to me  
So make it mine and see it through  
You know you won't be free until you

Wake up the members of my nation  
It's your time to be  
There's no chance unless you take one  
And it's time to see  
The brighter side of every situation  
Somethings are meant to be  
So give me your best and leave the rest to me

Leave it all to me  
Leave it all to me  
Just leave it all to me
