Did it seem
Like everything's just a waist of time
I know what you feel
I'm just like you
Sparks Fly

Everything's gonna be alright
I'm here for you
Don't Cry
You're words oh my
Are making sense
Sparks Fly

Did it seem
Like you are not the one for me
Hold on tight
I'm just like you
Sparks Fly

Everything's gonna be alright
I'm here for you
Don't Cry
You're words oh my
Are making sense
Sparks Fly

[Talking]
So when you're doing something, remember I'm here.
I'm just like you.

[Singing]
Sparks Fly

Everything's gonna be alright
I'm here for you
Don't Cry
You're words oh my
Are making sense
Sparks Fly
