Miranda Cosgrove featuring Drake Bell - Leave It All to Me

I know you see somehow the world will change for me
And be so wonderful
Live life, breathe air I know somehow were gonna get there
And feel so wonderful

I will make you change your mind
These things happen all the time
And It's all reeeaaaaal
I'm telling you just how I feel
So, wake-up the members of my nation
It's your time to be
There's no chance unless you take one
Take the time to see the brighter side of every situation

Some things are meant to be
So give your best and leave the rest to me

I know its time to raise the hand that draws the line
And be so wonderful
Golden sunshine I know somehow its gonna be mine
And feel so wonderful
Show me what you can become
There's a dream in everyone

And It's all reeeaaaaal
I'm telling you just how I feel
So, wake-up the members of my nation
It's your time to be
There's no chance unless you take one
Take the time to see the brighter side of every situation
Something's are meant to be so give me the rest and
leave the rest to me

Leave it all to me
Leave it all to me
So make it right and see it through you know well wont
be free until you
wake-up the members of my nation

It's your time to be
There's no chance unless you take one
and the time to see the brighter side of every situation
Something's are meant to be so give me your rest
and leave the rest to me

Leave it all to me
Leave it all to me
Just leave it all to me
