I know you see
Somehow the World will change for me
And be so wonderful
Live life, Breathe air
I know somehow were gonna get there
And feel so wonderful

It's all for real I'm tellin' you just how I feel

So wake up the members of my Nation
It's your time to be,
There's no chance unless you take one
And the time to see the brighter side of every situation
Some things are meant to be
So give me your best an leave the rest to me
Leave it all to me

I know it's time to raise a hand and draw the line
And feel so wonderful
Golden sunshine
I know somehow someday it's gonna be mine
and be so wonderful

And it's all for real I'm tellin' you just how I feel

So wake up the members of my Nation
It's your time to be,
There's no chance unless you take one
And the time to see the brighter side of every situation
Some things are meant to be
So give me your best an leave the rest to me
Leave it all to me

So make it right
You'll make it through
'Cause you know you won't be free until you

Wake up the members of my Nation
It's your time to be,
There's no chance unless you take one
And the time to see the brighter side of every situation
Some things are meant to be

So give me your best an leave the rest to me
Leave it all to me
Leave it all to me
Just leave it all to me
