feat RaeLynn

They say I'm their perfect girl
The kind they take to mamma
The kind you can't leave, no

Did you have it off
And do you sell her crazy
And I found you there with some girl named Stacey
When will this dream come to life?

Oh,
When you tell me that you want me
Tell me that you need me baby
Cause I've been sitting here waiting,
Waiting for you to come save me
Tell me that it feels right
Under these á¹—oor tries
Look me in the eyes
Tell me that you want me, tell me that you want me
Even if you have to lie, lie

I guess I'll give up on fairytales
Take back all my pennies from that wishing well
Oh I can't wait for you â€¦
I know that we could be that great
When will you see us through my eyes?
Maybe tonight

Oh,
Tell me that you need me baby
Cause I've been sitting here waiting,
Waiting for you to come save me
Tell me that it feels right
Under these á¹—oor tries
Look me in the eyes
Tell me that you want me,
Even if you have to, even if you have lie
Oh the truth is I don't the truth
I just want to be with you
So baby believe me this is what we need

This is what I need
So me that you need me baby
Cause I've been sitting here waiting,
Waiting for you to come save me
Tell me that it feels right
Under these á¹—oor tries
Look me in the eyes
Tell me that you want me,
Even if you have to, even if you have lie
