Love Letters on wet paper  
Forgivers, no takers  
An angel who never got wings  
You find Jesus and it's too late  
He's already closed the front gate  
And the sign's flashing no vacancy

You've broken my heart for the last time  
You promise the truth and you told lies  
You've really made me believe  
That love was supposed to be free

Love letters on wet paper  
Forgivers, no takers  
An angel who never got wings  
You find Jesus and it's too late  
He's already closed the front gate

And the signs flashing no vacancy

I'll never forget how he used to be  
But I'm better off living with memories  
I know that it's gonna hurt  
But I dont think it gets any worse

And love letters on wet paper  
Forgivers, no takers  
An angel who never got wings  
You find Jesus and it's too late  
He's already closed the front gate  
And the sign's flashing no vacancy

Yeah, my heart's flashing no vacancy
