I'm gonna drink till I feel pretty  
I'm gonna laugh till you get mad  
I'm gonna dance with three more strangers  
Till you get over what you had

[Chorus:]

I can feel you starin at me  
And I just love good irony  
The only shot you got's one more tequila  
Cause I aint nobody's used to be

Its gettin late  
A little lonely  
And what you're thinkin's all to clear  
Lucky for you I've had too many  
I'm just drunk enough to leave you here

[Chorus]

You can stop anticipatin  
Just go home I know she's waitin  
And I know you'll be wishin it was me  
Honey I ain't nobody's used to be
