Weather man said it's gonna snow  
By now I should be used to the cold  
Mid-February shouldn't be so scary  
It was only December  
I still remember the presents, the tree, you and me

But you went away  
How dare you?  
I miss you  
They say I'll be OK  
But I'm not going to ever get over you

Living alone here in this place  
I think of you, and I'm not afraid  
Your favorite records make me feel better  
Cause you sing along  
With every song  
I know you didn't mean to give them to me

But you went away  
How dare you?  
I miss you  
They say I'll be OK  
But I'm not going to ever get over you

It really sinks in, you know, when I see it in stone

Cause you went away,  
How dare you?  
I miss you  
They say I'll be OK  
But I'm not going to ever get over you
