Devil had a daughter
Took him to the water
Tried to kill him with a kiss
He said "Hey now honey
What about the money"
I said "I ain't got time for this"

Take me, take me somewhere trouble don't go
Make me, make me someone trouble don't know

He said baby come inside
I said sorry I've got to ride
Sorry but I've got to ride
You know you could end up dead
Sleepin in the devil's bed

Take me, take me somewhere trouble don't go
Make me, make me someone trouble don't know

Baby wants to drive my car
But he wants to go to far
But he wants to go to far
First come's love and it's so fine
Then comes heartache right behind
Then comes heartache right behind

My baby used to be so sweet
Now he wont come down my street
Now he wont come down my street
All my plans got derailed
He locked up my heart in jail
He locked up my heart in jail

Take me, take me somewhere trouble don't go
Make me, make me someone trouble don't know
