I'm texas as hell
made in honery
I don't need no loud mouth
comin' on to me

my temper gets hotter in red white and blue blazes
you know dog-gone well everybody can tell I'm texas as
hell

well I know I haven't been around a long time
but I've heard my share of
those worn out love lines
if you ain't redneck
dont waste your time
because right now I'm in a lonestar state of mind

and I'm texas as hell
made in honery
I don't need no loud mouth
comin on to me
my temper gets hotter in red white and blue blazes
you know dog-gone well everybody can tell

I'm texas as hell

well I guess you think that I'll be persuaded
but how many times do I have to say this
don't mess with me boy
for heaven's sake
didnt anybody tell you messin with texas was a big
mistake

cus' I'm texas as hell
I'm made in honery
I don't need no loud mouth comin on to me
my temper gets hotter in red white and blue blazes
you know dog-gone well everybody can tell
I'm texas as hell

you know dog-gone well everybody can tell I'm texas as
hell
yeah
