Entangled in a plexus of fundamental lies
I simply can't imagine any other way
This play must be screened off
Before they smell the bogus
Driven by desperation
Only an attempt to escape
Abysmally desponded
The shame is even stronger
Than the menacing fear
Of what awaits beyond
All affairs completed
Left you one last gasp
Helplessly raising your arms
You will watch me sliding
Down
Into my secret silence
Down
Into my silent void
Agonizing remorse follows my redemption
Terminating my ailment has destroyed much more
Don't ever try to fathom
Don't search for causes
Don't you try to join me
Don't escort me going
Down
Into my secret silence
Down
Into my silent void
