[M. Siffermann]

Probably lost, all alone, I stand beside me  
Hearing bizarre voices, echoing in my brain  
Impaled eyes staring from above  
I creep away in my silent cry

Anger, rage burst out of my fragile soul  
Eager for an answer which relieve my mind  
Caught in this dreams of misery  
A neverending whirlpool of suffering

Feelings and emotions without control  
Surround me in an impervious swarm  
No escape from this scary nightmare  
I propel to my aimless destiny

Bleeding orchids growing from my ceiling  
Immaterial clowns dancing on my grave  
Caught in this dreams of misery  
A neverending whirlpool of suffering
