

Mirror Of Deception "Vanished"

Fading traces
Vanish in ablation
A flickering glimpse
Hallmarks alienation
Sudden apparitions
Play tricks on the inner eye
The scent of perception
A delusion to defy
Mystified reminiscence
Retrospections arcane
A pondering silence
In a dwelling orphaned
A shuffling soul
Trudging through anemic days
Evanescence of the common ground
Squires catatonic forays
The haunting incertitude
Indicates the dread
You could just be away for a while
But you could as well be dead
