### Verse 1:

Ooh, take a walk in the park under the stars  
Baby take my hand the night is ours  
I never knew what loving you could do  
I'm feeling like I wanna follow through

### Bridge:

You look into my eyes and  
You make my temperature rise and  
You keep me fantasising baby

### Chorus A:

You can take me home tonight  
I'm not making promises  
Don't make it more than what it is  
You can take me home tonight  
Take it slow boy we can chill  
And if I'm feeling it I will

### Chorus B:

Maybe, would you let a thug give you a hug  
Maybe maybe stroke your back till you fall in love  
Maybe, If it's cool can I kiss you please  
Maybe, love you down till we fall asleep

### Verse 2:

Ooh, now you got me where you want me to be  
BUT I won't give in too easily  
I look at you and I can't help my self  
My mind says wait my body's saying yes

### Bridge

Chorus A

Chorus B

### Middle 8:

My hearts racing, my body's aching  
From dreams of making love all night  
It won't take much, I'm weak one touch  
Just might do this, if it's wrong or it's right
