Sunship

Mis-Teeq

Here we go again

Here we go again

Going

Got got gonna gone say why

Going

Got got gonna gone say why

Here we go again

It's a one night stand

Hear the sound of the DJ playing our jam

Glass Down

Grab a man

Move to the floor

It's time to get down

Ding ding

First Round

Hands on my hips

As I start to dip

Close range

Full clip

Temptations

Sensations

Vibrations

My One night stand

Got got gonna gone say why  
Got got gonna gone say why  
Going  
Got got gonna gone say why  
Here we go again  
It's a one night stand

Job done  
Wanna have fun  
Gonna  
Call my girls  
Gonna my hair done  
So I  
Dress tight  
With my heels high  
And I  
Think about the moves I'm a pull tonight

When I roll up out front  
Guys looking over like they want some  
Make way sexy  
For me and my ladies

Hear the sound of the DJ playing our jam  
Glass Down  
Grab a man  
Move to the floor  
It's time to get down  
Ding ding  
First Round  
Hands on my hips  
As I start to dip  
Close range

It's a one night stand

Act wild  
But I got style  
Cos I ain't sipping if it ain't crystal  
High class

Nice ass  
Spend your money but I got my own cash  
Good Vibes  
So Right  
Thank you for the dance tonight  
Feel free baby  
Keep looking 'cos you can't have me

Hear the sound of the DJ playing our jam  
Glass Down  
Grab a man  
Move to the floor

The sound of the DJ playing our jam  
Move your body closer  
It's time to get down  
Hands on my hips  
As we start to dip  
It's a One night stand

And I said "kick back or be extreme"  
Here I go again to hype the mix scene  
Job done  
Wanna have fun  
Gonna get up on the mic  
'Cos you know what to do  
And ya feel my vibe  
As I blow you away  
Switch my flow - Big up the DJ  
Bringing my vibes in a positive way  
Cos words make music  
Here we say, say  
Ain't slippin'

You know what to do  
We all look fine  
We on the venue  
Hit up the jam  
As we jump right through  
So what more do you say  
Or do, do?  
You never, never gonna get this flow  
You never knew that we'd make the dough  
You never we the lyrical pros
