So so so scandalous

You know you wanna sing with us (baby)
That's why you know you should be scared of us (baby)

Non stop looks to kill
Straight talk sex appeal
One touch gives me chills and we ain't even close yet
Rough neck all around
Aint been all over town
Show me how you get down cause we ain't even close
yet

You got me feelin and you got me feeling weak
Listen as I speak cause I'm careful as I creep
You got me going crazy and you know I can't sleep
Love watchin your moves and you hypnotize me
You got me trembling like a little baby girl
You're so special, you're like diamonds and pearls
You got me spinning and you got me in a twirl
You're my number one baby and you come to rock my
world

You're dangerous, just get it off
The way you move so scandalous
It's all about the two of us
A one night stand just ain't enough
I need some stimulation baby
A little conversation maybe
You gotta spinin out like crazy
There goes my baby

Scandalous, so scandalous(baby)
Scandalous so so so scandalous

Hot stuff, head to toe
Where you go, no one knows
Cute smile, plenty doh and we ain't even close yet
Solid as a rock
How many ways can you hit the spot
Show me what you got cause we ain't even close yet

You got me feelin and you got me feeling weak
Listen as I speak cause I'm careful as I creep
You got me going crazy and you know I can't sleep
Love watchin your moves and you hypnotise me
You got me trembling like a little baby girl
You're so special, you're like diamonds and pearls
You got me spinning and you got me in a twirl
You're my number one baby and you come to rock my
world

You're dangerous just get it off
The way you move so scandalous
It's all about the two of us
A one night stand just ain't enough
I need some stimulation baby
A little conversation maybe
You gotta spinin out like crazy
There goes my baby

Scandalous(baby)
So scandalous
Scandalous(baby)
So so so scandalous

A little conversation goes a long long way
Show a little patience
That you are here to stay
So show me that you're game oh

You're dangerous just get it off
The way you move so scandalous
It's all about the two of us
A one night stand just ain't enough
I need some stimulation baby
A little conversation maybe
You gotta spinin out like crazy
There goes my baby

You know you wanna sing with us
That's why you know you should be scared of us
You know you wanna sing with us
That's why you know you should be scared of us
