You gotta hot date on arms, you got good looks and  
plenty charms  
You gotta nice ride and everything, ain't nothing wrong  
with you  
You gotta good job, respectable, you gotta nice crib  
You got it all and so well dressed and well behaved  
But you just don't turn me on

My girls say i'm crazy and that i should go with you  
Coz' your so amazing, that's the only thing to do  
They say you'll be sorry. you'll regret it if you don't  
They don't need to worry, i know exactly what i want

I like a man with a hip hop style  
I like a man with a drop top ride  
I like a man who is independant  
Uh, uh, say it again  
I like a man with a hip hop style  
I like a man who can drive me wild  
I like a man who can take control  
Uh, huh huh huh huh, that's all

Yo

I need a rude boy, with some edge  
I need a rough neck, making ends  
I need a hot player, hustling  
Now that's what i want  
I need t-shirt, with some jeans  
Uh, that's just how it is  
I need a good lover to do me right  
Somebody that can turn me on

My girls say i'm crazy and that i should go with you  
Think your so amazing, that's the only thing to do, yeah  
They say i'll be sorry. you'll regret it if you don't  
You don't have to worry, i know exactly what ya want

I like a man with a hip hop style  
I like a man with a drop top ride  
I like a man who is independant

Uh, uh, say it again  
I like a man with a hip hop style  
I like a man who can drive me wild  
I like a man who can take control  
Uh, huh huh huh huh, that's all

I know just what i like, and i know when it's right  
I don't need nobody else to tell me, no  
I just wanna be free, to be who i wanna be  
Can you blame me?

Are you ready for this one ladies, Check it out  
We like a man that is independant  
Won't be asking for your pocket money, or to pay rent  
So stand up on your own and don't be giving me no  
stress  
Your showing me postitions just to keep my interest  
I like the way your lips and your hair look cris  
But i'm comanding everything i'm doing in my midst  
Eternally, intelligent, that's how a women is  
You better pull the right strings  
If you wanna get with this

I like a man with a hip hop style  
I like a man with a drop top ride  
I like a man who is independant  
Uh, uh, say it again  
I like a man with a hip hop style  
I like a man who can drive me wild  
I like a man who can take control  
Uh, huh huh huh huh, that's all
