Wont you tell me why, why (why, why)
It's the remix
MisTeeq
Tell me why

We've always been so close together
Doing things that only best friends do
Always there for one another
Through the bad times and the good
The other night you held me close
Need to know, did we just cross the line
This other side just feels so right
Won't you tell me...

Why, why, why do friends and lovers take so long
Now that we've come around
We finally found a love forever strong
Why, why, why are you so near and yet so far
How could I be so blind
When all the time I was in your heart

Here we go, here we go
Move to the beat and go with the flow
Come, come give me give me, come give me more
Move with the beat go with the tempo

For so long I've been searching
For that love that I can call my own
Now I know I was only waiting
For the face I've always known
I believe what heaven is, just like this
Every time we kiss
And deep inside I feel so high
Won't you tell me...

Why, why, why do friends and lovers take so long
Now that we've come around
We finally found a love forever strong
Why, why, why are you so near and yet so far
How could I be so blind
When all the time I was in your heart

As we do with integrity
V-V-V-V-V-V-I-P-P-P
We're young fresh wise-turned celebrities
M-m-m-m-move your b-b-body

La, la, la, la, la, la, la,
La, la, la, la, la, la, la,
La, la, la, la, la, la, la,
La, la, la, la, la, la, la,

Eh, warm and gentle touch
Oh, eh, every time, every time we kiss
Eh, Warm and gentle touch
Oh, eh, every time we kiss

When I stop and think about it
How did I ever live without
Your warm and tender touch
I need it so much

Why, why, why do friends and lovers take so long
Now that we've come around
We finally found a love forever strong
Why, why, why are you so near and yet so far
How could I be so blind
When all the time I was in your heart

Why were you so near to me
When all the time I could not see
Finally found a love so strong
Can't wait, can't wait, just carry on
Why, why, why, why
Just tell me why

La, la, la, la, la, la, la,
La, la, la, la, la, la, la,
La, la, la, la, la, la, la,
La, la, la, la, la, la, la,

Eh, warm and gentle touch
Oh, eh, every time, every time we kiss
Eh, warm and gentle touch
Oh, eh, every time we kiss
Eh
