Silent night, holy night  
All is calm, all is bright  
Round yon virgin mother and child  
Holy infant so tender and mild  
Sleep in heavenly peace  
Sleep in heavenly peace

How can this be  
On the holiest night we scream  
Blood is splattered  
No one is safe

We must run  
And get away  
To hide  
Somewhere safe

On this black christmas

How can we breathe  
Nothing matters to anyone's grief  
Christmas now silent night  
Please breathe slightly right

Am i meant to die?  
Am i meant to try?  
'Cause i've failed miserably  
I can't make it commiserating  
You tried  
I lied  
Nothing matters  
Everyone cried  
We can't make it  
We can't break it  
We can't take it  
FUCKING FORSAKE IT!!!
