How did I get here?  
I don't remember sleeping at all  
When will this all be gone in the end  
How did I make it here?  
Yesterday I was no one  
No money I stole for food to eat, just to eat

If I'm still asleep  
I know I'll reach the end

I've scaled the seven walls  
I've salted the open wounds  
I've lead the masochists  
To their doom  
I've opened up the door  
The key was in the sky  
Which leads me to wonder  
Who am I?

How can I try?  
When everything was taken from me  
Nothing left here, raped and robbed from me  
How am I alive?  
When they showed up at my door  
I didn't even blink as I fell to the floor

If I'm still asleep  
I know my time has come

When I was laying in that corner  
Blood falling from my face  
God wasn't there  
God doesn't care  
If I'm alone in here  
What should I do?  
Everyone's abandoned me  
Everyone but you

If I'm still here  
I made it thru the night  
But I'm still scared  
Seperate me from the light
