Hate's not the only way

Do not let others run your life

Which way you choose is up to you

Don't you see it?

Fear is the liar's path

Don't let their fear control your life

You have to make your own decisions

Follow the path

Follow the path of your heart

Follow the path

Follow the path of your heart

Go!

Hate is not the only way

Do not let others run your life

Which way you choose is up to you

Follow the path

Follow the path of your heart

Follow the path

Follow the path of your heart

Stand up straight

Never give in

Trust yourself

Stand up straight

Never give in

Trust yourself

Follow the path

Of your heart
