Go!

Time is right

I say let's make a change

{Whoo-OOhh-oohh-oohh}

Ask yourself again my friend

Make a difference? Yes we can

Fight for freedom

Fight for justice

{Whoo-oo-oohh-oo-oohh-oo-oohh-oo-oohh-OOhh}

Fight for freedom now

{Whoo-oohh-oohh}

Lack of trust

I say let's take it back

{Whoo-OOhh-oohh-oohh}

All around total mass confusion

What we need is a global revolution

Fight for freedom

Fight for justice

{Whoo-oo-oohh-oo-oohh-oo-oohh-oo-oohh-OOhh}

Fight for freedom now

{Whoo-oohh-oohh}

Whaaaw!

Time to open up {YOUR EYES}

Take a look around you see things {AIN'T RIGHT}

Ask yourself again {MY FRIEND}

I say Yes you can

Fight for freedom

Fight for justice

{Whoo-oo-oohh-oo-oohh-oo-oohh-oo-oohh-OOhh}

Fight for freedom

Fight for justice

{Whoo-oo-oohh-oo-oohh-oo-oohh-oo-oohh-OOhh}

Fight for freedom now

{Whoo-oohh-oohh}

{Whoo-oohh-oohh}

Fight for freedom now

{Whoo-oohh-oohh}
