Silence holds us back
{Woo-ooohh}
Gotta break those shackles now
Get them off our necks
Voices of the world
{Woo-ooohh}
Gotta get our message out
Gotta spread the word
And in our hearts we always got something to say
They can't take it away
Silence?
No we will never shut our mouths
Silence?
No we will never shut our mouths
Fear around our necks
{Woo-ooohh}
Gotta break those shackles now
Take the power back
Our strength's within the word
{Woo-ooohh}
Let us be a flame of hope
In an unjust world
And in our hearts we always got something to say
They can't take it away
Silence?
No we will never shut our mouths
Silence?
No we will never shut our mouths
{Never shut our mouths}
{No we won't shut our mouths}
{No we won't shut our mouths}
{No we won't shut our mouths}
No we won't shut
Shut our mouths
Silence?
No we will never shut our mouths
Silence?
No we will never shut our mouths
{No! No!}
Won't shut our mouths
Shut our mouths
{No! No!}

Won't shut our mouths
No way
Silence
