Facts that is all you see
If you're feeling weak
Get down on your knees
You criticize but I involve
Have you ever been standing alone? {No}
Do you know what it feels like inside
When someone close
Is fading away?
A life is soon to end
But you don't care (No)
Can't you see the fact? {That I try}
There are rough times {I know}
Separation
This is my dedication
Can't you see the fact? {That I try}
There are rough times {I know}
Standing all alone
I feel so far from home
So far from home
Back to where it all begin
Here we go again
I'm down on my knees
You criticize but I involve
Have you ever been standing alone? {No}
Do you know what it feels like inside
You don't listen
To a word that I say?
A life is soon to end
But you don't care {No}
Can't you see the fact? {That I try}
There are rough times {I know}
Separation
This is my dedication
Can't you see the fact? {That I try}
There are rough times {I know}
Standing all alone
I feel so far from home
So far from home
In a land of his own
He's so far from home
A life is soon to end
But do you care my friend?

Tell me please I wanna know...
Have you ever been standing alone?! {No}
Can't you see the fact? {That I try}
There are rough times {I know}
Seperation
This is my dedication
Can't you see the fact? {That I try}
There are rough times {I know}
Standing all alone
I feel so far from home
Can't you see it?
Can't you see it?
Can't you see
How I try, how I try?
There are rough times
There are rough times
Yes I know
But I'm so far from
So far from
