My little gigapet
Yeah, we're so close
He's always near
I never leave him at home
We're real good buddies
Till the end of time
Yeah, little gigapet
Your mine all mine
I feed you chicken
and then I watch you grow
And after a long day
We play tic-tac-toe
Well, then I have to scoop your crap
But then it all pays off
When I see you take a nap
My little gigapet
Yeah, we're so close
He's always near
I never leave him at home
We're real good buddies
Till the end of time
Yeah, little gigapet
Your mine all mine
You bark when you need help
When you're troubled
You give me a yelp
When I you're bad, I slap you in the head
If I keep doing that, well, you'll be dead
My little gigapet
Yeah, we're so close
He's always near
I never leave him at home
We're real good buddies
Till the end of time
Yeah, little gigapet
Your mine all mine
Yesterday I was playing
Kick ball with my dudes
Then you barked because
You needed some foods
Oh, how I love my little gigapet

And when you die
I just press reset
My little gigapet
Yeah, we're so close
He's always near
I never leave him at home
We're real good buddies
Till the end of time
Yeah, little gigapet
Your mine all mine
