Nate, he was a big mistake  
Oh Nate, all his dates inflate  
It's Nate, loves to be butt-raped  
that's Nate  
Next Nick, that selfish little prick  
Oh Nick, you know he makes me sick  
It's Nick, his ass I'd like to kick  
That's Nick  
Now Steph...  
Ok, now Steph's retarded  
Well Joel, he's a big asshole  
Oh Joel, he's a HUGE asshole

It's Joel, HE'S ONE, BIG, FAT ASSHOLE!  
That's Joel  
Our band, full of bullshit  
That's our band, we're really sucking it  
Our band, getting jiggy with it  
yeah, yeah, yeah, yeah!  
We're Idiots with Instruments  
We can't play worth dick  
We're Idiots with Instruments  
We're Nate, Joel, Steph and Nick
