Follow me to never ending grace
wash away the stains of disgrace
I can show you how fast she can fall
save the life just leave it on

Silence of and that is what you are
song is on your going too far
calmacate, you luscinate too late
this song is saying goodbye to fame
no fall away

Your head (set through my head)
when I fail

I am the source of your fatal addiction
I am the one who beholds your cage,
I am the source of your fatal addiction
I am the one who feeds your rage

Time has come to
vision the truth
If it shields you brake
I fall

Your head (set through my head)
when I fail

I am the source of your fatal addiction
I am the one who beholds your cage,
I am the source of your fatal addiction
I am the one who feeds your rage

YOU ARE DESTRUCTION!

[SOLO]

I am the source of your fatal addiction
I am the one who beholds your cage,
I am the source of your fatal addiction
I am the one who feeds your rage

I am the source of your fatal addiction
I am the one who beholds your cage,
I am the source of your fatal addiction
I am the one who feeds your rage
