Colorado, two days ago, took my chances on some icy
roads
Hoping to warm my heart down in Alabama

Trailway station, Birmingham, still no answer and it's
three AM
Got an aching in my heart and a pay phone in my hand

It won't be the first time I'll spend the night alone
It won't be the last time I'll have to be strong
Sometimes the best move is to just move on

I could be in Atlanta by the break of day, I don't want to
leave but I know I shouldn't stay
I'm gonna watch the sunrise all by myself either way

It won't be the first time I'll spend the night alone
It won't be the last time I'll have to be strong
Sometimes the best move is to just move on

Carolina, Spartanburg, still no answer, not a word...

It won't be the first time I'll spend the night alone
It won't be the last time I'll have to be strong
Sometimes the best move is to just move on

It won't be the first time I'll spend the night alone
It won't be the last time I'll have to be strong
Sometimes the best move is to just move on
