So long I'm outa here runnin' on fumes but I know just  
where

I can breathe some life back in these weary bones  
Too long this old town's been wearin' me thin and  
draggin' me down  
so I'm headed for those healing hands of home

I'm gonna run to where I can find salvation for this  
heart of mine  
And shake these shackles of and set me free  
I'm gonna lay in that open sky stir up my soul and fan  
the fire  
And get back to the way things oughtta be  
Lord for the sake of my survival I need a little revival

Can't wait until I hear the noise of nothing in my ear  
And mama saying grace at supertime  
How sweet it will be when I finally get to dip my feet in  
the water  
Soakin' up the sun by the riverside, yeah

I'm gonna run to where I can find salvation for this  
heart of mine  
And shake these shackles of and set me free  
I'm gonna lay in that open sky stir up my soul and fan  
the fire  
And get back to the way things oughtta be  
Lord for the sake of my survival I need a little revival

I ain't got that far to go till I'm shoutin' Hallelujah down  
the red dirtroad  
Wish upon we was where the cattails grow and I'm born  
again a brand new man

I'm gonna run to where I can find salvation for this  
heart of mine  
And shake these shackles of and set me free  
I'm gonna laugh in that open sky stir up my soul and  
fan the fire  
And get back to the way things got to be now  
Lord for the sake of my survival I need a little revival
