

Misery Loves Co. "Like A Suicide"

Visit "[Like A Suicide](#)" on MotoLyrics.com

Creatin' walls, divide good from bad
Keepin' out the dirt, raising a flag
What's on the inside, and who's been locked outside?
I saw you falling like a suicide

You're televised, a faceless number
Got my ass on the first row, watching you stumble

You threw it all out, a life in black and white
I saw you falling like a suicide

Like a bullet, straight from the sky
Isolate the pain, trying to get high
Sometimes I wonder, could've seen it in your eyes?
I saw you falling like a suicide
