Instructions!!!!

Won't be a path for me to walk

Streamlined!!!!

A given role to live apart

Release me!!

I try to move don't hold me back

Allegiance!!

To no one else but me

No one's seen what I have seen

No one's been where I have been

No, I wasn't born to follow

You can't train me

If you know me who I am

Got the knowledge of where I stand

A million ways to put me down

You can't train me

Can't touch me! (You can't touch me)

Can't hurt me! (You can't hurt me)

Can't frame me! (You can't frame me)

Cut off my tongue, my mind still speaks!!

[Spoken:]

Please control yourself!

Cultured? Society strikes and yet

He knows no bounds

They have committed acts

Against father nature

Acts define their mere existence

And make any decent person recoil

With disgust

Silence!!

Instead of confrontation

New lies!!

To cover up the old

I want chaos!!

Destroy in order to create

Violence!!

I can't expose my name

No one's seen what I have seen  
No one's been where I have been  
No, I wasn't born to follow  
You can't train me

Can't touch me! (If you know me who I am)  
Can't hurt me!! (Got the knowledge of where I stand)  
Can't frame me! (A million ways to put me down, you  
can't break me)

Can't touch me! (You can't touch me)  
Can't hurt me! (You can't hurt me)  
Can't frame me! (You can't frame me)  
Cut off my tongue, my mind still speaks!

Can't touch me!  
Can't frame me!  
No!

No one's seen what I have seen  
No one's been where I have been  
No, I wasn't born to follow  
You can't train me

Can't touch me! (If you know me who I am)  
Can't hurt me!! (Got the knowledge of where I stand)  
Can't frame me! (A million ways to put me down, you  
can't break me)

Can't touch me! (You can't touch me)  
Can't hurt me! (You can't hurt me)  
Can't frame me! (You can't frame me)  
Cut off my tongue, my mind still speaks!

Can't touch me!  
Can't hurt me!  
Can't frame me!  
My mind still speaks!

Can't touch me!  
Can't hurt me!  
Can't frame me!  
My mind still speaks!
