Little angelfuck

It's a shame that luck is the only thing

Did you like the fun

Did you like the times that I promised you

Open wounds on your brow

Little angel in red

She isnt lovin you anymore

Little angelfuck

I see you going down on a fireplug

Little angelfuck

Size for everyone

Let those bastards believe

Dry your eyes and we'll leave

She isnt lovin you anymore

Little angelfuck

I see you going down on a fireplug

Oh, little angelfuck

Size for everyone

Let those bastards believe

Dry your eyes and we'll leave

She isnt lovin you anymore
