Attitude, you got some fucking attitude  
I can't believe what you said to me  
You got some attitude

Inside your feeble brain  
There's probably a whore  
If you don't shut your mouth  
You're gonna feel the floor

Attitude, the one you got, oh baby  
Attitude, the one you got, oh baby  
Attitude, attitude

Inside your feeble brain  
There's probably a whore  
If you don't shut your mouth  
You're gonna feel the floor

Attitude, you got some fucking attitude  
I can't believe what you said to me  
You got some attitude

Attitude, you got some fucking attitude  
I can't believe what you said to me  
You got some attitude
