all i feel is pain it seems today,
a dark angel leads me to evil far beyond the grave,
it declares me a phantom, demon,
i dont know it just cannot be defined,
at hell this reflection stares at me and then i lose my
mind,
yeah it betrays me,

whoaaa in hell i'll burn in flames
(whoaaaa)if looks could kill then death would be my
name
whoaaaa in hell i'll burn in flames
(whoaaa) so come inside the fires and feel-

angel of death is bloodied now
feeds my one desire
tortured and scorned I strike
I sense the fear, it feeds the fire
hear me now the demons son,
bruiser im the one
erase my soul,
for all your sins can never be undone
i cant contain it

whoaaa in hell i'll burn in flames
(whoaaaa)if looks could kill then death would be my
name
whoaaaa in hell i'll burn in flames
(whoaaa) so come inside the fires and feel the pain
whoaaaa
heres the pain
the pain

whoaaa in hell i'll burn in flames
(whoaaaa)if looks could kill then death would be my
name
whoaaaa in hell i'll burn in flames
(whoaaa) so come inside the fires and feel the pain

feel the pain
feel the pain
feel. the. pain.
